Camp Challenge Professional Service Provider

CAMP CHALLENGE is a youth development organization that specialises in adventure-based experiential learning. We create challenge and excitement by purposefully exposing youths to elements of physical, social and emotional risk. A CAMP CHALLENGE experience consists of a variety of activities where youths are required to work as a team to complete the tasks or learn about self-determination and resilience. Our programmes are customisable to match different learner profiles and learning objectives. They can range from 2 hours to multiple-days overnight camps.

Our Service Providers (June 2015)

Jerome Poudevigne
Caregiver Service Provider

Jerome Poudevigne, originally from France, has been living in Singapore for the past eight years. He's no stranger to helping those in need, and has done so over the years for various humanitarian causes. As a primary caregiver of Sebastien, he has been introduced to the world of autism. Although purely an amateur, he greatly enjoys cooking and will be teaching participants how to bake a festive fruit cake.
